Dear Sir

I have received
your letter relative to
my pictures in the Expo-
sition. As yet they
have not been photo-
graphed but are being
done at present.

Will you oblige me
by specifying the works
you particularly wish
to reproduce in woodcut
- I have received

from 100 to 200 francs
for similar rights -

I should be pleased
to make an arrange-
ment with you but
should like to know
about life etc as
there will probably
be more than one
negative made.

I can also furnish
you with details of my
life and former
exhibitions which
may be useful in
the article you propose
to write.

An early answer will
oblige:

Yours very truly
J. A. Bridgman

P.S. I suppose you
refer to the Mineral
Exp: and not the
Salon? From the
latter exhibition I
have disposed of the
"Bal chez le Gouvernement"
You have another
important subject
